

13th – 14th May 2013

Melbourne Convention & Exhibition Centre

Meet us at the show!

[Cards & Payments Australasia](#) is back for its 18th and biggest year yet! It's full of more educational content, more solution providers and progressive ideas that have made this event the most respected cards and payments event in Australasia.

Here are just a few reasons why you should visit:

- Over 80 Free educational seminars themed around **Cards & Payment Innovation, Retail Technology and more...!**
- See the latest products, services and solutions
- Meet the leading players and companies that are driving the future of cards and payments
- Network, find partners, build relationships
- See, hear and touch the best solutions available today, meet with over 80 Solution providers in the exhibition area.
- **It's only two days and it's FREE**

We welcome the opportunity to meet you at stand 54 on the exhibition floor, and discuss how Card Testing International can:

- Maximise customer confidence & loyalty
- Save on card re-issue costs and inconvenience
- Retain the trust of VIP customers and corporate groups
- End the time wasting and frustration of faulty cards
- Improve the overall quality of your cards

Remember it is **FREE** to register for the exhibition and seminar sessions.
